BECOME INDUSTRY 4.0 READY

with B.Tech. in CSE
@ MBU

Dream Big.
Achieve Bigger.

Padma Shri Dr. M Mohan Babu
Chancellor, Mohan Babu University

Welcome to Mohan Babu University's prestigious B.Tech. in Computer Science and Engineering (CSE) program, where innovation meets education! At MBU, we are committed to providing our students with a comprehensive understanding of core computer science concepts while staying at the forefront of technological advancements. Our CSE program is designed to empower students with the knowledge and skills needed to tackle a wide array of engineering, social, environmental, and economic challenges.

By choosing MBU's CSE program, you are stepping into a world of endless opportunities.

Whether you are passionate about technology, software development, or computer systems, our curriculum tailored to the principles and applications of Computer Science and Engineering will nurture your interests and aspirations. Here, you will find a

vibrant community of dedicated faculty and enthusiastic peers, fostering an environment that encourages exploration, critical thinking, and creativity. Pursuing CSE at MBU isn't just an educational choice; it's a strategic decision that will shape your future and prepare you for a dynamic and highly rewarding career in the ever-evolving field of technology.

Join us in this exciting journey of knowledge and innovation, where your potential meets possibilities. Embrace the challenges, seize the opportunities, and embark on a transformative learning experience at Mohan Babu University. Your pursuit of excellence starts here, at MBU's B.Tech. Computer Science and Engineering program.

RESEARCH BASED PEDAGOGY

- Cutting-edge curriculum tailored to meet industry demands.
- Expert faculty employing innovative teaching methods: Flipped Classroom, Project- Based Learning, Mind-Mapping, and more.
- PhD-qualified, experienced professors dedicated to shaping your educational journey.
- High-tech smart classrooms fostering interactive learning experiences.
- State-of-the-art laboratories equipped with advanced technology.
- Specialized programming labs for hands-on coding experience.
- OLE labs promoting collaborative and interactive learning.

- E-Lab for cutting-edge electronic experimentation.
- Database System Management Lab for practical data management skills.

INDUSTRY COLLABORATION

Industry Collaboration with

(Advanced Business Application Programming), a prominent technology company, aimed at enriching the skillsets of our students and unlocking pathways to thrilling career prospects.

INSTITUTIONAL PLACEMENTS

100+ Multinational Corporations Visited in 2021-22 with **2200+** Offers and **1800+** Offers in 2022-23 (Still Counting)

This Year, **20%** Growth in Placement Packages with the Highest being **60 Lakhs**

Offers from **Google** at a Package of **60 Lakhs** and a Package of **44 Lakhs** by **amazon** & **YugaByte**

45% Students Placed in MNCs with a Package Above **6 Lakhs**
