SECURE THE DIGITAL FUTURE

B.Tech - Cyber Security @MBU

“Dream Big. Achieve Bigger.”
Dr. M Mohan Babu
Chancellor, Mohan Babu University

At Mohan Babu University, we stand at the forefront of technological education with our B.Tech Cybersecurity. This dynamic and industry-relevant program equips students with the skills and knowledge required to safeguard digital ecosystems from cyber threats and vulnerabilities.

Our program integrates cutting-edge technologies with a robust understanding of security protocols, ethical hacking, network defense, and secure software development. By combining theoretical foundations with hands-on experience, we prepare students to become leaders in the domain of cybersecurity, ready to address real-world challenges with innovation and expertise.

Embark on a transformative academic journey where excellence meets innovation. As a Cybersecurity professional, you'll be trained to protect and defend the digital world. Join us in shaping a safer, smarter future at Mohan Babu University.

PROGRAM HIGHLIGHTS

- **Research-Based Teaching Pedagogy:** Combines academic depth with industry relevance to create a robust learning experience.
- **Interactive Learning Through Case Studies and Projects:** Encourages critical thinking and problem-solving using real-world scenarios.
- **Advanced Cybersecurity Labs & Forensics Facility:** Equipped for secure coding, ethical hacking, and digital forensics training.
- **Dedicated Security Operations Center (SOC):** Provides hands-on training in real-world cybersecurity operations, including monitoring and incident response.
- **PhD Faculty with Industry & Research Experience:** Gain mentorship from experts with a blend of theoretical knowledge and practical insights.

WHY CHOOSE THIS PROGRAM?

THE MBU ADVANTAGE

- **Academic to Industry Program:** Seamlessly transition into industry roles with skills tailored to employer demands.
- **Placement-Ready Training:** The Continuous Evaluation Program for Placement Readiness (CEPPR) ensures you are consistently prepared for the job market.
- **Global Communication Mastery:** The Training for English Proficiency (TEP) program equips you with essential communication skills for international opportunities.
- **Hands-On SOC Training:** Practical exposure to live operations prepares students for real-world cybersecurity roles.
- **Industry-Aligned Learning Methodology:** Stay updated with the latest cybersecurity trends and best practices.
- **Career-Ready Focus:** With placement preparation, skill-building activities, and exposure to industry projects, graduates emerge job-ready.

INSTITUTIONAL PLACEMENTS

110+
Multinational Corporations
visited in 2023-24 with
1800+ offers
