# CODE YOUR FUTURE WITH BCA

@ MBU  
with Specialisation in Full Stack (MERN) Development

**100%**  
Placement Guarantee

Dream Big. Achieve Bigger.

**Dr. M Mohan Babu**  
Chancellor, Mohan Babu University

Embarking on a Bachelor of Computer Applications (BCA) with Specialisation in Full Stack (MERN) Development journey at MBU is more than just obtaining a degree; it is a transformative experience that serves as a passport to the ever-evolving world of tech innovation. At MBU, we empower our students to explore the boundless potential within the dynamic field of Computer Applications. Our meticulously crafted curriculum, tailored to align with industry standards, coupled with our team of expert faculty, ensures that students acquire the knowledge and skills essential to thrive in the digital age.

Through engaging in real-world projects, internships, and innovation labs, students can channel their passion for technology into a fulfilling career marked by groundbreaking innovations.

The program is designed to open doors to a plethora of career opportunities, ranging from mastering the art of coding wizardry to venturing

into the realm of tech entrepreneurship. By immersing themselves in hands-on experiences, students gain invaluable insights and practical skills that are vital in the ever-competitive tech landscape. Joining us at MBU means becoming a part of a vibrant community where aspiring tech visionaries are nurtured and encouraged to shape the future. Through our comprehensive education and nurturing environment, students graduate not only with a degree but also with the confidence and expertise to make a significant impact in the tech industry.

Enroll in our BCA program with Specialisation in Full Stack (MERN) Development at MBU, and embark on a transformative educational journey that will not only equip you with the knowledge and skills needed for success but will also inspire you to become a trailblazing tech visionary. Shape your future and make your mark in the world of technology with MBU's BCA program and Specialisation in Full Stack (MERN) Development - where innovation knows no bounds and limitless opportunities await.

## PROGRAM HIGHLIGHTS

- Innovative Pedagogy: Learn with expert faculty and modern teaching techniques tailored to full-stack development.
- State-of-the-Art Labs: Access advanced tools for front-end, back-end, and database technologies.
- Comprehensive Skill Building: Master frameworks, programming languages, and deployment methods.
- Hands-on Projects: Build real-world applications with practical exposure.
- Global Certifications: Prepare for certifications in tools like React, Node.js, and MongoDB.
- UI/UX Design Focus: Develop user-friendly and efficient interfaces.

### Why Choose This Program?

#### THE MBU ADVANTAGE

- 70% Practical, 30% Theory
- Recognised equivalent as BTech CSE by industry
- Certified by Computers Society of India
- Recognised by ISO UK and TNV
- 150 hours of interaction with Industry Experts from Microsoft, Google, Oracle, Amazon and more
- Learn and connect from peers in Tier-1 companies

#### In the next 3 years create a powerful portfolio with

- 10+ projects graded by mentors under your name
- Complete mentorship for National and International Hackathons
- Internship and placement opportunities

**Our students work at:** Bosch, Accenture, Deloitte, HSBC, Intel, KPIT, KPMG, MuSigma, SIEMENS, TCS, Valeo, Zoho, Microsoft, Capgemini & many more

Capabl.

## PLACEMENT HIGHLIGHTS

**110+**  
Multinational  
Corporations  
visited in 2023-24  
with  
**1800+** offers

**20%**  
Growth in highest  
package with the  
highest being  
**60 Lakhs**

Students got offers from  
**Google** at a package of  
**60 Lakhs** & a package of  
**44 Lakhs** from  
**amazon** & **YugaByte**

**45%** students placed in MNCs with a package above **6 Lakhs**
