

TOP GUN PROGRAM

Designed by Pro-Chancellor Mr. Vishnu Manchu, the Top Gun program identifies and develops top performers among B.Tech. students. This initiative, supported by industry-focused training and involvement of top alumni, propels participants into successful careers with companies like Google, Amazon, Cisco, and more.

CODING PLATFORMS FOR MODERN HIRING

In the era of innovative hiring, we prepare CSE graduates for success with coding challenges and hackathons. Our curriculum, aligned with platforms like LeetCode, HackerRank, GitHub, and CodeChef, ensures students are not only academically sound but also adept at solving real-world problems.

CERTIFICATIONS THAT COUNT

CDC offers a range of certifications aligned with industry needs, enhancing student's employability. Our students are encouraged to earn certifications from AWS, CISCO, SAP, Salesforce, ServiceNow, Google Cloud, Microsoft, Juniper, Palo Alto, Catia, Solidworks, BIM, Revit, Microchip, VLSI Design.

INDUSTRY INTERACTION EVENTS

CDC organizes seminars, guest lectures, and workshops featuring industry experts from top companies like Google, Amazon, Microsoft, and TCS. Our alumni, now in leadership roles, actively mentor students, bridging the gap between academia and industry needs.

@MBU - CDC

“Dream Big.
Achieve Bigger.”

Dr. M Mohan Babu
Chancellor, Mohan Babu University

Are you prepared to transform your dreams into reality? Look no further than the Mohan Babu University's Career Development Centre (CDC). Your final transition from university life to the corporate world commences here!

CONNECTING DREAMS TO OPPORTUNITIES

At CDC, we play a pivotal role in forging a robust connection between academic excellence and the dynamic corporate world. We seamlessly facilitate the transition from textbooks to boardrooms, managing placements and internships to ensure that students are well-prepared for the challenges of the professional sphere.

TAILORED FOR SUCCESS

Our commitment to student success is unwavering. We customize educational programs to meet industry needs, equipping students not only with academic knowledge but also with a diverse skill set essential for the job market. Our focus extends beyond the classroom, providing resources, workshops, and guidance on resume building, interview skills, and overall professional development.

TOP-NOTCH PLACEMENTS

With a stellar track record, CDC has attracted over 100 reputable companies for campus placements. Industry giants such as Google, Amazon, and Yugabyte offer lucrative packages of up to 60 lakhs per year, showcasing the high-profile job opportunities our students access through CDC. Our success spans across industries, including technology, finance, consulting, retail, and more.

OUR RECRUITERS

TRAINING MODULES FOR EXCELLENCE

- I-Year: Communication Skills
- II-Year: Training on Problem-Solving Skills (Programming)
- Regular Practice and Periodical Assessment
- III-Year: Campus Recruitment Training (Aptitude, Reasoning, Verbal ability)
- Regular Practice and Periodical Assessment
- On-demand Industry Certifications – SAP, Salesforce, AWS, ServiceNow, PEGA.
- IV-Year: Project-Based Learning - Java Programming

CONTINUOUS EVALUATION PROGRAM FOR PLACEMENT READINESS (CEPPR)

CEPPR evaluates Knowledge, Ability, Skills, and Personality (KASP) from the First to Seventh Semester, ensuring placement readiness. Developed with AON, it uses psychometric assessments with 98% accuracy to map job roles, identify training gaps, and benchmark against industry standards. This program offers continuous feedback, actionable insights, and targeted interventions, boosting employability. By aligning student skills with industry expectations, CEP enhances campus placement success and prepares students for professional careers.

ACADEMY TO INDUSTRY PROGRAM (A2I)

A2I bridges academics and industry through hands-on learning, industry immersions, and global exposure. Features like 'Labs Anytime, Anywhere', MeritCurve Labs, and platforms like HackerRank enhance skills in line with evolving technologies. Continuous assessments address skill gaps, while personalized mentoring fosters innovation and readiness. Industry partnerships, self-paced learning, and faculty training ensure students excel in competitive environments. With tailored pathways and real-world exposure, A2I equips students with the knowledge and skills to thrive in global careers.

TRAINING FOR ENGLISH PROFICIENCY (TEP)

TEP program enhances communication skills—reading, writing, listening, and speaking—using advanced tools and global benchmarks like the CEFR scale. Tailored to the Indian context, it ensures students achieve international proficiency standards, offering a competitive edge in the global job market. Engaging training methods and continuous evaluation refine students' linguistic abilities, preparing them for academic and professional success. TEP fosters effective communication, critical for career advancement and personal growth, making students globally competent and industry-ready.

INTERNSHIPS THAT SHAPE FUTURES

Our flexible internship programs allow students to gain real-world experience without compromising their academic commitments. Whether during the summer months or the final semester, students can intern for three to six months in industries of their choice.
