Discover unparalleled hospitality and facility services tailored for academic excellence with

Empowered by a commitment to excellence, VALMAR is the exclusive partner entrusted by MBU to oversee the non-academic needs of the university. Our comprehensive services encompass Accommodation, Facility Management, Dining, Uniform Design and Implementation, as well as Procurement and Transport Management.

Currently overseeing 40+ hostels accommodating 5000+ students, VALMAR ensures a stress-free environment with

spacious, well-organized rooms offering AC/Non-AC options. Our amenities include Wi-Fi, RO water, Hot water, and Laundry services.

Separate hostels for Boys and Girls feature dining halls providing three nutritious meals daily, totaling 25,000+ meals served across hostels and day-scholar students. With a vast managed area of 5.5 Lakhs SQFT spanning 40+ hostels, VALMAR engages students through regular events, spotlighting their non-academic talents.

## VALMAR SPECIALIZES IN

- **Safety:** Rigorous measures to prevent accidents, including training and emergency response planning.
- **Security:** Robust measures for protection against unauthorized access and potential threats.
- **Health:** Promotion of physical and mental well-being, including hygiene practices and access to healthcare.
- **Environment:** Focused on the overall physical and psychological aspects of the surroundings.
- Our offerings extend to a state-of-the-art, fully automated kitchen ensuring high-quality, hygienic food.
- The dining facilities are extensive and impeccably maintained, offering a delightful dining experience.
- We prioritize engagement and physical activities with recreation, indoor, and outdoor facilities. Our app-based management streamlines hostel student oversight, food projection, consumption, and facility management.
